REVISION OF BASIC REAL ESTATE PERMIT

DEPARTMENT OF THE AIR FORCE
PERMIT TO ANOTHER FEDERAL GOVERNMENT
DEPARTMENT OR AGENCY TO USE PROPERTY
ON
AIR FORCE INSTALLATIONS

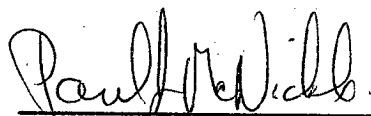

This Real Estate Permit updates the Basic Real Estate Permit, effective 15 March 1978 to indefinite period, which was fully executed by the duly authorized representatives of the Department of the Air Force and the Foreign Broadcast Information Service (FBIS) for use of facilities at Senaha Communication Station (BYFQ) FAC 6021.

The following changes are required:

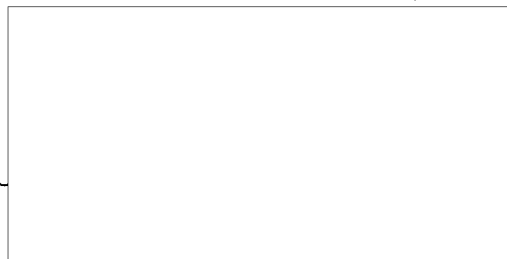

The Foreign Broadcast Information Service (FBIS) or its parent Agency is hereby granted a permit for an indefinite period beginning 15 March 1978, subject to termination set forth in paragraph 3 below to use and occupy Senaha Communications Station FAC 6021, ILC BYFQ, containing an area of 141 acres, more or less, together with facilities situated thereon as shown substantially in red on the attached map marked Exhibit "A" and further described on a attached real property inventory schedule marked Exhibit "B", remove Exhibit "B" and in lieu thereof insert Exhibit "B" to cover Vehicle Fueling Station and Antenna Support Structure additions.

Except as herein revised, all other terms and conditions of the Basic Real Estate Permit shall remain in full force and effect.
